# A MASSIVE MILESTONE

RKW Acquisition

**EXPANSION  
FROM FIVE  
FACTORIES  
TO SIX  
FACTORIES**

Delema Industrial Group is pleased to announce a significant milestone in our company's journey with the acquisition of the esteemed German Group factory, RKW. This strategic move reinforces our position as leaders in the industry

With the addition of the RKW factory, we have expanded our manufacturing capabilities to a total of six facilities. Furthermore, we are actively exploring the potential for two additional factories, demonstrating our commitment to continued growth and advancement

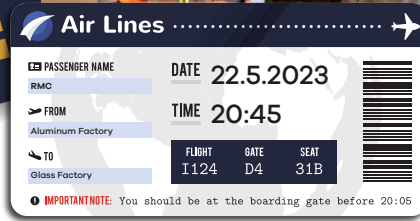

RKW is widely recognized for its exceptional expertise in film solutions across various sectors, including hygiene, agriculture, beverage, powdery goods packaging, and medical, and construction applications. This acquisition enables us to leverage their specialized knowledge and broaden our range of offerings to better serve our customers

By seizing this strategic opportunity, we are unlocking new pathways to unexplored opportunities and reinforcing our dedication to delivering excellence. Our entire team is eagerly embracing the challenges and successes that lie ahead as we embark on this transformative journey

We remain steadfast in our commitment to providing top-quality products and solutions while fostering a culture of diversity, innovation, and customer satisfaction

# RMC VISIT TO DELEMAR

Raafat miller consulting visitation

مجموعة دلمار الصناعية  
DELEMAR INDUSTRIAL GROUP

Delema Industrial Group is delighted to have hosted a visit from RMC Consulting, a respected representative who had the opportunity to explore our factories in detail. During the visit, our team provided an overview of our unwavering commitment to upholding high standards at every stage of the process

As a company, we remain dedicated to expanding our operations both locally and globally. Additionally, we respect the value of cooperation and urge you to connect with us

Our team is ready to guide you through our state-of-the-art factories, showcasing the cutting-edge technology and processes that drive our success

At Delema Industrial Group, we strive for excellence in all aspects of our operations. Contact us today and discover how our advanced facilities and dedicated team can contribute to your business goals

We believe in customizing our products to meet the unique needs of every client, both in Egypt and beyond

Our Chairman, ENG Mahmoud Haroun, was recently engaged in a captivating interview with Akhbar El Youm, shedding light on our newly opened factory. As a company driven by a steadfast commitment to quality and innovation, we are immensely proud to export our countries worldwide 24 products to more than

The acquisition of this massive factory marks a momentous milestone in our journey toward becoming a leading force in the Aluminium, Glass, and Powder Coating industries. This expansion exemplifies our unwavering dedication to delivering exceptional products and services that surpass our client's expectations.

At Delemar Industrial Group, we firmly believe that excellence is not just a goal but a standard that we strive for every day. This latest endeavor is a testament to our unwavering determination to establish ourselves as industry frontrunners.

We are excited about the future gains that this expansion brings, enabling us to cater to a broader market. Join us on this remarkable journey as we continue to exceed industry standards and redefine excellence.

# CELEBRATING OUR TEAM

Employee Certification  
for May

## OUR MAY

# CHAMPIONS

We take immense pleasure in recognizing and celebrating our exceptional employees. In May, we proudly honor our remarkable heroes whose innovative ideas inspire us all

We extend our heartfelt gratitude for your invaluable contributions to our team. Your hard work, passion, and commitment are truly commendable, consistently exceeding expectations and driving our collective success

By embracing a culture of excellence, we cultivate an environment where every individual's efforts are valued and recognized. Your brilliance and relentless pursuit of greatness serve as a shining example for all of us, motivating us to reach higher and achieve more

As we move forward, we encourage you to continue your outstanding work, embodying the spirit of excellence and going above and beyond in everything you do. Together, we will continue to surpass boundaries, exceed expectations, and make a lasting impact in our industry

Once again, we express our deepest appreciation for being an integral part of our team and for inspiring us with your brilliance

Keep up the remarkable work

# SAINT GOBAIN

Our Trusted Glass  
Materials Partner

When it comes to high-quality glass materials, one name stands out: Saint-Gobain. With a legacy of excellence spanning decades, Saint-Gobain has solidified its position as a global leader in providing superior glass solutions. At Delema Industrial Group, we are proud to have Saint-Gobain as one of our longstanding partners, as their commitment to quality aligns perfectly with our own values

Saint-Gobain's glass materials are renowned for their exceptional quality and durability. Whether it's architectural glass, automotive glass, or glass for industrial applications, Saint-Gobain consistently delivers products that meet the highest industry standards. Their rigorous quality control measures and advanced manufacturing processes ensure that each piece of glass is flawless and reliable

Beyond quality, Saint-Gobain is also at the forefront of innovation. Their continuous research and development efforts result in cutting-edge glass technologies that push the boundaries of what is possible. From energy-efficient glass solutions to smart glass that adapts to environmental conditions, Saint-Gobain leads the way in revolutionizing the glass industry

At Delema Industrial Group, we value enduring partnerships, and our collaboration with Saint-Gobain exemplifies this. As their trusted partner, we have access to their extensive range of top-quality glass materials, enabling us to deliver exceptional products to our clients. Together, we combine our expertise and resources to provide tailored glass solutions that meet our customers' unique requirements
